# **CHIROPRACTORS REGISTRATION BOARD OF WESTERN AUSTRALIA**

---

**National Registration & Accreditation Scheme for the Health Professions**

**Consultation Paper on other matters for inclusion in Bill B**

**Submission by the Chiropractors Registration Board of WA (CRBWA)**

**Proposal 4.1.2**

CRBWA supports Option 1. However believes it would be preferable to have a panel (list) from which members may be drawn when needed, rather than having to advertise every time where the committee was not a standing committee.
