

Dear Sir/Madam

Thank you for the opportunity to comment on the Consultation Paper concerning the National Registration and Accreditation Scheme for the Health Professions.

This opportunity followed from the attendance of our then NSW Branch Manager, Jan Axe, and our NSW Branch Council President, Katherine Maka, at the State Forum held to discuss the proposed new Scheme.

Our national office has submitted comment on the Consultation Paper, and I write only to fully support, from the NSW perspective, that national APA response.

I apologise for the delay in replying which was due to my recent appointment as NSW Branch Manager. We would be pleased to receive any further publications on this topic, to have an opportunity to comment on them, and to attend any further State-based briefings that may be arranged.

Yours faithfully

Chris Winston

cc. Leanne O'Shannessy  
Director, Legal and Legislative Services  
General Counsel  
NSW Department of Health
