

HEALTH WORKFORCE PLANNING TOOL REQUEST FORM - 2009

Title: _____ Full name: _____

Position: _____

Organisation: _____

Address: _____

Telephone: (_____) _____

Email: _____ @ _____

The Health Workforce Planning Tool and its underlying methodology vest in and are owned by the State of Victoria as the legal entity that represents the National Health Workforce Taskforce.

Support is not provided beyond what is included in the instruction manual.

Please accept the following conditions of use by signing in the space provided.

1. The State of Victoria grants my organisation the exclusive right to use the software and accompanying files only for the purposes stated in the instruction manual.
2. Sharing the software and accompanying files with organisations external to my own is not permitted.
3. Replicating the compact disc which contains the software and accompanying files is not permitted; however, copying the software and accompanying files to various computers within my organisation only is permitted.
4. The software may only be used for health workforce planning purposes.
5. Selling the software and accompanying documents is not permitted.
6. Reverse-engineering the software is not permitted.
7. The National Health Workforce Taskforce and the Health Workforce Planning Tool must be acknowledged when publishing results obtained via the software.
8. I am responsible for my organisation with regard to the use of the compact disc and its contents.

Infringement of any of the eight conditions constitutes grounds for revoking permission to use the Health Workforce Planning Tool.

Please note that consultancies and other for-profit organisations are ineligible to receive the Health Workforce Planning Tool at this time.

I agree to the above eight conditions governing the use of the Health Workforce Planning Tool.

Signature: _____ Date: _____ / _____ / _____
